The total accommodation comprises of three reception rooms, study, lounge, dining room and a re-fitted kitchen to the rear and utility cupboard. There are four bedrooms with an en-suite to the master bedroom and main family bathroom. The flexibility and practicality of the layout offers extra dimensions to busy lifestyles, teenage children or staying guests. From the rear at both first and second floor levels there are

stunning views across west London. It has taken years of investment to produce a near perfect home and this absolutely needs to be seen.

The front does not disappoint as there is parking for up to three vehicles. An impressive rear garden enjoys a westerly aspect extending to approximately 153ft. Without a doubt these are some of the most impressive gardens within Banstead Village.
