FROM THE VENDOR

We purchased this property from Williams Harlow and moved in 2012. The property offered a blank canvas for us to incorporate our own style and design to suit our family requirements. We extended the property to the side and also the second floor accommodation. We have created wonderful memories with family and friends but it is now time for us to move on. We do sincerely hope that the new owners enjoy the property as much as we have as it is ideally suited for local amenities and excellent schools.
