Spanning an impressive 1,224 square feet, the property boasts two spacious reception rooms, perfect for both entertaining guests and enjoying quiet family time. With four well-proportioned bedrooms, there is ample space for everyone, and the potential for an annex adds further versatility to the home.

The property features a large garden plot extending to 116', ideal for outdoor activities, gardening, or simply relaxing in the fresh air. The generous outdoor space is a rare find and enhances the appeal of this lovely home. Additionally, parking for up to three vehicles ensures convenience for residents and visitors alike.

Situated in a prominent location, this property is ideally placed for families seeking access to local schools and mainline train stations, making commuting to London and beyond a breeze. The vendor is suited on an end chain, which simplifies the buying process for prospective purchasers.

With significant potential for personalisation and expansion, this semi-detached house is a fantastic opportunity to create a dream family home in a sought-after area. Do not miss the chance to view this property and explore the possibilities it has to offer.

THE PROPERTY

With its wide frontage the property provides impressive kerb appeal, entered via a front door located to the side gives access to an entrance porch, further beyond is an entrance hallway. Downstairs flows well with the third bedroom located to the ground floor to the front, there is a good sized lounge and dining room to the rear, bathroom plus a large extended kitchen/breakfast room. Externally you can access the property's study/bedroom four to the rear with a WC and this in our opinion would offer annex potential or ideal for those who work from home. To the first floor there are two good sized bedrooms with good storage and access to eaves storage which runs from the front to the rear.

OUTSIDE AREA

The garden is an absolute delight and must to be seen with a good sized front garden with a well laid driveway for parking for up to three vehicles and access to the front door. There is also useful side access which leads to the property's rear garden which extends to approximately 116ft with a patio immediately to the rear. There is an array of flower/shrub borders and an ornamental garden pond and a shed. The garden enjoys a good degree of privacy. With its size and width there is potential to extend, add and improve to the property as will be apparent by the neighbouring properties.

VENDOR THOUGHTS

We purchased this house in 1970 and have improved and adapted it to our own growing family requirements. The property has been an absolute delight to us and holds many happy memories over the years with family, friends and entertaining. It is now time for us to downsize where we hope to move to Banstead Village. We sincerely hope the new owners will enjoy it as much as we have.
