THE PROPERTY

The property dates from the 1950's and is located in a popular residential location toward the southern extremities of Banstead Village. The property occupies a corner position which makes it ideal for extension possibilities (STC). With this in mind there is also plentiful parking for visitors and family. The gardens are established to the rear and enjoy a westerly aspect and as a point of note, many other properties within the area have also created a loft conversion. The roof pitch is ideally suited to this. Highlights include the re-fitted bathroom. There is also gas central heating, double glazing and a sizeable kitchen.

OUTDOOR SPACE

The corner plot provides many advantages over similar properties within the area with a driveway providing off street parking for two vehicles and also a garage. The garden continues to the side and rear, enjoys a westerly aspect and a good degree of privacy to the rear. The plot measures approximately 58ft, frontage by 60 ft front to rear at longest point.

LOCAL AREA

The property is close to Banstead Village which offers an excellent range of High Street shopping facilities including independent shops, Waitrose, Marks & Spender Foodhall, restaurants, cafes, etc. Within a very short stroll, you will find yourself in miles of open countryside with excellent footpaths which will enable you to take evening walks without a second thought and a community where people feel fully invested.
