THE PROPERTY

The property is located at the head of a private cul-de-sac in a peaceful position. This 3/4 four bedroom detached house enjoys a westerly aspect and the garden broadens to the rear and offers significant scope for any buyer to create a wonderful home with opportunities to further extend (STP). Internally the property flows well with three generous reception rooms and a study/bedroom four to the ground floor. There is also an extended entrance porch which also provides a large downstairs WC and the extension also provides a large kitchen/breakfast room to the rear. To the first floor there are three good sized bedrooms serviced by a main bathroom. This property is ready to view now and don't miss the opportunity to make this stunning home your own.

OUTSIDE AREA

The property enjoys a westerly aspect plot of approximately 0.2 acres. Upon approaching the property there is a newly laid driveway with parking for up to 3/4 vehicles surrounded by well tended flower/shrub borders. The driveway continues to the side of the property which gives access to a detached garage. From here there is access to the stunning rear garden, one of the standout features of the property. There is a patio to the rear and a wide expansive lawn with an array of mature trees/shrubs and the garden enjoys a high degree privacy ideal for relaxing and entertainment.

FROM THE SELLER

When we first bought this house, we did so with the intention of making it our forever home and it truly has felt that way ever since. The garden has always been a particular joy, a sunny place perfect for relaxing or entertaining on long summer days. There's a genuine sense of community on this road, where everyone looks out for one another. Although we've invested a great deal into creating the home we dreamed of, there's still exciting potential for someone new to extend or adapt the space even further. It's a house that can continue to grow with its owners, just as it did with us. Leaving will be bittersweet, as we know how special this house truly is, but due to relocation it's time for a new family to enjoy everything we've loved about living here.
