FROM THE SELLER
We moved to the property in 2017 where we have many happy memories raising our children in the house. Since moving in we have updated the rooms throughout and have added a loft conversion allowing for four double bedrooms and an additional bathroom.

We have enjoyed the spacious garden with the added benefit of being able to access the countryside from the rear gate. The location of the property is superb, being a ten minute walk from the high street and the spacious woods at the back of the house, with ample parking in both the garage and to the front of the property.
