The Property

This house is all about making life easy. Spacious reception rooms to include a snug/study, a through lounge from two original knocked through reception rooms, an eat in kitchen-dining room with an abundance of space to eat, laugh and share precious moments. Maximising the kitchen, there is a separate utility room which is perfect for muddy dogs after walks and drying clothes. The entrance hall and cloak room complete the ground floor. The first floor includes four bedrooms and family bathroom with shower and bath. The master bedroom has been created from two bedrooms, historically knocked through and if you want more bedrooms from the space then simply toggle the layout. There is also extra potential for the loft should you have grand designs. Lastly the integrated garage has direct access into the house.

Outside Space

A south facing rear garden measuring circa 90ft. Charming and restful, the rear garden feels special and cocooning. Included within the garden, the summer house/office is also ideal to work from or use as a home gym or studio. Beyond the rear garden the fields provide depth and views, the house has a gate which provides direct access. The frontage offers off street parking for several cars and the porch acts between the drive and the main house.

The Local Area

Cheam Village is superb and if you haven't visited, you must. It's very much like lots of other Surrey towns in that it offers excellent commuting links, a nice high street with lots of independent shops and crafts as well as the national chains, excellent schooling and green open spaces. However it's the general relaxed and peaceful neighbourhood which allows for you to take evening walks without a second thought and the community where people feel invested. Within a very short walk, you will find Cheam train station and a

choice of tennis clubs. Again within 5 mins and you will be ordering a flat white in one of the various coffee shops on the high street. From Cheam train station, you can journey to London Victoria or London Bridge in around 35 mins. Surrounding towns include Banstead, Sutton, Epsom and Carshalton. Road networks include the M25, A3 and A217. Gatwick and Heathrow are easily drivable in circa 40 mins and with the excellent road and rail networks the South coast is readily accessible. South Cheam also indulges the sporting types with golf, tennis, rugby and cricket. Being so close to Epsom, it's great for horse owners also.

Vendor Thoughts

"We moved here in 2004 and always with a view of raising a family here. 22 happy years later and with grown up children, we now seek our down size. The kitchen extension has been one of the best things we have done and it's transformed the way we use the house. It opened the house up to more specific uses through the days and seasons; winter around the burner and summer via the bi-fold doors into and out the kitchen family room. The snug/study always worked well for us all"

Why You Should Buy

For ease of purchase the house is offered without an onward chain. Secondly the property offers already extended accommodation which is good to go for families wanting to walk to the local schools.
