The Property

A double fronted Burton built (famed local builder) detached house. The layout and the accommodation has a flowing and practical feel. All ground floor rooms are accessed from the entrance hall and all the first floor rooms are accessed from the landing. With three reception rooms, kitchen breakfast room, four bedrooms, two bathrooms, cloakroom and an exceptional landing which doubles as a home office or library. The decor is neutral.

Outdoor Space

Sandy Lane is an exceptional road in its entirety but there is Sandy Land and then there's 'Sandy Lane', this is most sought after part. The south-west facing rear garden is spacious and impressive, measuring over 190 ft. The frontage offers lots of charm and appeal with parking for many cars to boot.

The Local Area

Cheam Village is superb and if you haven't visited, you must. It's very much like lots of other Surrey towns in that it offers excellent commuting links, a nice high street with lots of independent shops and crafts as well as the national chains, excellent schooling and green open spaces. However it's the general relaxed and peaceful neighbourhood which allows for you to take evening walks without a second thought and the community where people feel invested. Within a very short walk, you will find Cheam train station, Nuffield fitness centre and a choice of tennis clubs. Again within 5 mins and you will be ordering a flat white in one of the various coffee shops on the high street. From Cheam train station, you can journey to London Victoria or London Bridge in around 35 mins. Surrounding towns include Banstead, Sutton, Epsom and Carshalton. Road networks include the M25, A3 and A217. Gatwick and Heathrow are easily drivable in circa 40 mins and

with the excellent road and rail networks the South coast is readily accessible. South Cheam also indulges the sporting types with golf, tennis, rugby and cricket. Being so close to Epsom, it's great for horse owners also.
