

Mickleham Gardens, Cheam Village,
Offers In Excess Of £325,000 - Leasehold

**WILLIAMS
HARLOW**

Williams Harlow – A luxury first floor lift serviced retirement apartment with balcony found within a select managed development. In the heart of Cheam Village and moments of Cheam Village shops and Cheam Park, the development is very sought after and the property is offered without an onward chain.

The Property

It is clear from the entry phone system and entrance that this development is exceptional. The modernity of the property and the impeccably maintained communal areas is very reassuring for those who are perhaps anxious about downsizing. The property is spacious with bedroom, bathroom, lounge and kitchen and at no times feels small. The advantage of the balcony off the lounge is obvious for those who want outdoor space with extra security. Internally decorated in neutral tones for your ease of use.

Communal Space

The entry phone provides access to the communal hallways, these are very well maintained. The development consists of a few blocks, within which there are house managers to enable ease of reporting etc. The communal grounds are pretty and have pedestrian access gates by which you can gain access or exit as a resident via your key fob.

The Local Area

Taking full advantage of its location, it is a short walk from the high street and Cheam Village centre. Cheam Village is superb, with a rich tapestry of community whilst bridging the charm of Surrey and buzz of Greater London. Part of the wider Sutton Borough, Cheam offers some outstanding schooling, train lines and outdoor areas to enjoy. The Village offers pubs, restaurants, convenience stores and stunning parks and within a few mins walk you will come across Waitrose, Cafe Nero, Prezzo and Pizza Express. Cheam train station provides regular links and services into Victoria and London Bridge.

Why You Should View

These come and go extremely quickly and are very sought

after. This example offers a rare edition of a balcony and also the smaller prettier block. If downsizing is on the cards then this is very persuasive reason to take the plunge.
