**WILLIAMS
HARLOW**

Williams Harlow Cheam – A ground floor, two bedroom maisonette with Art Deco period detailing set within a gated historic Village quarter development which on a sunny day looks and feels idyllic. Spacious rooms and a patio off the kitchen from which to start or end the day in style.

The Property

A testament to the owner this property feels loved and ready to offer love back. A naturing nest with character. You can enter via the communal hallway and entry phone system or you can enter via the Kitchen patio door. The communal areas are spotless. Once inside, the spacious property is easy to use due to the functional layout and light filled. The central hallway feeds two double bedrooms, large reception room, sizable kitchen and bathroom. The décor, although neutral, is full of character and matches perfectly the period charm of the original features.

Outdoor Space

Enter through the gates and into some of the most wonderful communal gardens seen. Kept immaculately, the surrounds are just as important as the interior for any resident. The benefit of the ground floor is the use of the immediate area off the kitchen door.

Local Area

Carshalton Village is a gem within the wider Sutton area. A historic town with a highstreet, train station, parks and as strong sense of community its a lovely place live. Local schools are of a high standard and attract buyers from far and wide. Overall a greater London town which blends Surrey and London together.

Why You Should View

A top notch ground floor flat which is different class to most of its peers. Competitively priced and a supreme mix of community spirit with homely interior.

Vendor Thoughts

I feel in love the art deco style, large rooms and original

features. Beechwood Court is a beautifully kept space that feels safe & secure with a real community feel with the neighbours. It's a very peaceful and quiet place to live with lots of wonderful nature on your doorstep with the ecology centre, ponds and local park. It is also easy to get to outside of the peaceful dwelling to seek a city buzz with a quick 30min direct train journey into the centre of London or a short walk over the bridge to get into the village with plenty of places to eat & drink and great community areas like the Cryer Arts Theatre. The Sun, just opposite, does some really amazing food for example. There is also a great music and creative scene with lots of local open mics, live music opportunities and the local Wallington Music Festival or annual Eco Fair with lots of creative stalls and local bands.
