The Property - Ideal Downsize

The property is very clean, tidy and expertly managed. You enter via a entry phone system and have use of both the lift and stairs to the first floor. Once inside the apartment, the property is neutrally decorated and good condition. Two double bedrooms, spacious bathroom with access from bedroom and hallway, spacious kitchen which opens onto the lounge/dining room. The balcony is off the lounge and provides precious outdoor space without the need for maintenance with extra security.

Local Area - Walk To Shops and Park

Right in the heart of Cheam Village, the development is between the high-street and Cheam park and either can be walked in only a few minutes.

Outside Space - Community

The development offers a range of features which make life easier for you and your family such as guest accommodation, clubs, communal lounges, laundry facilities. Pockets of seating in the communal gardens are nice and there is always someone to say hello to.

Why You Should Buy - Reassuring Downsize

Of course over 55 isn't considered old by any standard and I wouldn't necessarily be addressing those by stating a down size can be a worry and one which has been considered for some time. This flat, development and location certainly removes much of the anxiety of anyone involved in the move.
