**WILLIAMS
HARLOW**

Williams Harlow Cheam - A three bedroom semi detached house in a highly sought after area; convenient for Cheam High and Cheam Fields schools. With the added benefit of two bathrooms and two reception rooms, busy families will relish busy mornings. Offered with an onward chain and ready to view.

The Property

A straight forward semi detached house with the advantage of a loft conversion and a ground floor conservatory. The accommodation flows in the following order: porch, entrance hall with stairs to first floor and door to lounge, lounge, kitchen, conservatory to complete the ground floor. First floor, two double bedrooms and bathroom. Second floor, double bedroom and shower room. The rooms are spacious and the neutral décor leaves space for one's own taste to be easily implemented. The kitchen works well in conjunction with the conservatory and its likely the conservatory will act as the dining room with the kitchen opening into and over looking it. The house has some classic character architectural points such as bay window which ensure a handsome kerb appeal.

Outside space

Two parking spaces to the front of the house are offered and aid convenience. Additionally there is a side access gate to the rear garden. The rear garden measures 98 ft in length and very uncomplicated. Decking off the house acts as hard standing for table and chairs which then steps down onto the lawn which extends to rear boundary. It helpful to note that the bottom boundary backs a service road for garages and it's likely that this garden used to have an original garage here.

Local Area

The nearest train station is West Sutton (walkable in 10 mins), with Cheam Village not that far away in any case. The road is lined with well-maintained properties. The area, between Sutton and Cheam, is a sought after spot for its convenience, parks and transport links. Additionally, there is a large Tesco close by for grocery needs.

Why You Should View

This house offers impressive accommodation and value. The process is simplified by the no onward chain. If you wish to be close to transport and school options then view now.
