## Local Area

Cheam Village is superb and if you haven't visited, you must. It's very much like lots of other Surrey towns in that it offers excellent commuting links, nice high street with lots of independent shops and crafts as well as the national chains, excellent schooling and green open spaces. However it's the general relaxed and peaceful neighbourhood which allows for you to take evening walks without a second thought and the community where people feel invested. Within a short walk, you will find Cheam train station, Nuffield fitness centre and a choice of tennis clubs. Again within 5 mins and you will be ordering a flat white in one of the various coffee shops on the high street. From Cheam train station, you can journey to London Victoria or London Bridge in around 35 mins. Surrounding towns include Banstead, Sutton, Epsom and Carshalton. Road networks include the M25, A3 and A217.

Gatwick and Heathrow are easily drivable in circa 40 mins and with the excellent road and rail networks the South coast is readily accessible. South Cheam also indulges the sporting types with golf, tennis, rugby and cricket. Being so close to Epsom, it's great for horse owners also.
