The Property

A good looking house with a symmetrical frontage. Internally a superb size measuring just under 2800 sq ft and including five double bedrooms, cloakroom, separate utility room, two separate reception rooms and a kitchen family room to encourage a move on its own. The kitchen family room is glorious; spacious, modern and brand new. Sliding doors hide the separate utility room. With lots of light and access to the rear garden via the bi fold doors. The kitchen appliances and bathroom suites haven't yet been used and the feel of a new house within a period skin should be highly attractive to any buyer.

Local Area

Cheam Village is superb and if you haven't visited, you must. It's very much like lots of other Surrey towns in that it offers excellent commuting links, a nice high street with lots of independent shops and crafts as well as the national chains, excellent schooling and green open spaces. However it's the general relaxed and peaceful neighbourhood which allows for you to take evening walks without a second thought and the community where people feel invested. Within a very short walk, you will find Cheam train station, Nuffield fitness centre and a choice of tennis clubs. Again within 5 mins and you will be ordering a flat white in one of the various coffee shops on

the high street. From Cheam train station, you can journey to London Victoria or London Bridge in around 35 mins. Surrounding towns include Banstead, Sutton, Epsom and Carshalton. Road networks include the M25, A3 and A217. Gatwick and Heathrow are easily drivable in circa 40 mins and with the excellent road and rail networks the South coast is readily accessible. South Cheam also indulges the sporting types with golf, tennis, rugby and cricket. Being so close to Epsom, it's great for horse owners also.

Why You Should Buy

Not only is this house set within the highly sought after South Cheam area, the house blends character, charm and modernity. A simple move in and enjoy, how many houses will you have the pick of where you can be the first consumer of the fixtures?
