Impressively large with overall sq ft showing 2126 (incorporating outhouses). The house has a traditional layout, entering through the porch into the entrance hall with stairs to first floor and lavatory under. The two reception rooms are to the left and the kitchen ahead. The first floor has three bedrooms and bathroom. All very standard for 1930's semi-detached. The décor is homely, clean and tidy but most importantly inviting and comfortable.
