The Property

The premise is simple, a large 1920/30's house with lots of character which requires modernisation but holds the key to your future family dreams. The house is surrounded by similar houses which were built by a highly regarded builder and characterised by the inherent character features which are present throughout. Over the years the surrounding properties will have been extended and modernised with the obvious care, attention and affluence on show. Including the conservatory, the property boasts four reception rooms, a large entrance hall, cloakroom, kitchen, utility room, direct access into the garage. The first floor includes five bedrooms (including a master suite of bedroom, dressing room and en-suite), two bathrooms and separate lavatory.

Outdoor Space

A large plot measuring 0.55 of an acre. A large carriage driveway to the front of the property and a rear garden measuring 232 ft

The Local Area

Cheam Village is superb and if you haven't visited, you must. It's very much like lots of other Surrey towns in that it offers excellent commuting links, nice high street with lots of independent shops and crafts as well as the national chains, excellent schooling and green open spaces. However it's the general relaxed and peaceful neighbourhood which allows for you to take evening walks without a second thought and the community where people feel invested. Within a very short walk, you will find Cheam train station, Nuffield fitness centre and a choice of tennis clubs. Again within 5 mins and you will be ordering a flat white in one of the various coffee shops on the high street. From Cheam train station, you can journey to London Victoria or London Bridge in around 35 mins. Surrounding towns include Banstead, Sutton, Epsom and Carshalton. Road networks include the M25, A3 and A217.

Gatwick and Heathrow are easily drivable in circa 40 mins and with the excellent road and rail networks the South coast is readily accessible. South Cheam also indulges the sporting types with golf, tennis, rugby and cricket. Being so close to Epsom, it's great for horse owners also.

Why You Should Buy

Houses in The Avenue rarely come onto the market and ones that require modernisation rarer still. This chance will allow you to buy a secure base for your family from which to grow and launch your life endeavours.
