**WILLIAMS
HARLOW**

Williams Harlow Cheam - A South Cheam location, occupying a prestigious corner plot that allows for a carriage (in/out) driveway and side access. The house is full of natural light and includes a master bedroom suite with ensuite bathroom & dressing room as well as three further bedrooms and a family bathroom. Offered without an onward chain.

The Property

Built in 1971, this family house has never previously come to market. The architecture is modernist in style; open and light filled. From its central entrance hall, the ground floor offers three spacious reception rooms, a kitchen with dining area, utility room and downstairs cloakroom. The large windows allow the light to flood in and connect the indoor with the outdoor; a standout feature which is not present in older houses. The first floor has four bedrooms, two bathrooms and a galleried landing overlooking the dining room. The master bedroom includes a dressing area with extensive fitted wardrobes.

Outdoor Space

The property benefits from a large double garage and a further outbuilding with the potential to be a home office or man cave. The back garden is private and pretty, providing enough space without being burdensome. A small patio area leads onto the rear lawn. The garden measures 80 feet by 45 feet. The front of the house is 64 feet from the kerb and is landscaped with grassy banks and mature plantings.

The Local Area

Warren Avenue is a wide tree-lined road of similarly large properties. Located within the heart of South Cheam, the shops, restaurants and coffee shops of Cheam Village are just a walk away. Within easy reach are leisure facilities including golf, tennis, parks and fitness clubs. Commuting to Central London is easy with direct trains to Victoria and London Bridge. The M25 can be reached directly from the nearby A217 and provides rapid access to Gatwick, Heathrow and the South Coast.

Why You Should View

Rare, generational opportunity. Exceptional and practical architecture in a prestigious, sought-after location. A family home close to excellent schools and amenities.

Vendor Thoughts

This has been my home for over 50 years and it holds many happy memories for our family. However circumstances mean that the time has come to sell and I hope that a new owner will enjoy the house as much as we have.
