**WILLIAMS  
HARLOW**

Williams Harlow – A three bedroom house with the favoured parlour style interior (through lounge with first floor bathroom). With an immaculately presented but slightly dated interior, the property allows space for the new owner to project their dream house. The convenience of the location is ultra-impressive with shops, multiple transport link, parks and schools all within short walks. As ever Morden is one of those few affordable Greater London postcodes which offer an affordable purchase with room to grow and a tube station. Be quick to view now through us or miss out.

### The Property

Offered without an onward chain, the property has been in the same ownership for decades and has been clearly and proudly loved. These houses were very well built and have stood the test of time. When built, several designs were under taken and this style was one of the most favoured for its through lounge, first floor bathroom layout. It probable you will modernise certain features and maybe extend but this is all considered within the marketing price. Three bedrooms, two reception rooms, bathroom, kitchen, hallway and landing.

### Outdoor Space

A south west facing garden backing a park. Heightened privacy and a pretty garden ensure the outdoor space is going to be enjoyed year round.

### The Local Area

A plum spot central for everything to include, St Helier hospital, St Helier train station, Morden tube station, Rosehill shops and restaurants, the A217, the local pub and parks. Buses are on hand to whisk you to Wimbledon and Cheam. The St Helier has always been a community and the neighbourly spirit lives on here.

### Why You Should View

The chance to buy for less and modernise is becoming rarer, with the added advantage of knowing the quality of how the property has been completed is as important as the finish; you have the chance of both here. An easy sale with no onward

chain and vacant possession ensure that any serious buyer is reflected by a serious seller.
