Williams Harlow Cheam – Space, location, and future potential rarely come together as effortlessly as they do here. Positioned on one of Cheam’s most sought-after residential roads, this handsome detached home delivers everything a growing family could wish for, including excellent scope for further extension and practical flexibility for use (three or four bedrooms). The Property

Much loved by the vendors over many years, this is a home that has been thoughtfully extended and well cared for, offering a perfect blend of practicality, comfort, and future potential. The property provides versatile accommodation arranged over two floors, ideally suited to modern family living. The ground floor features bright and flexible reception space designed for both everyday living and entertaining, alongside a well appointed kitchen. In addition, there is a further reception room which acts as a home office or study. The current family reception would easily work as a fourth bedroom depending upon priority of needs. Upstairs, there are three bedrooms served by a family bathroom, arranged around a bright central landing. Should you wish, there is excellent potential to extend further to both the rear and side.

Outside Space

To the front, the property benefits from off-street parking for multiple vehicles and an attractive frontage, while to the rear there is a garden extending to approximately 130ft with dual patios and beautifully mature greenery and offering excellent privacy, creating a wonderful setting for family life and entertaining.

The Local Area

Cheam Village is superb and if you haven’t visited, you must. It’s very much like lots of other Surrey towns in that it offers excellent commuting links, nice high street with lots of independent shops and crafts as well as the national chains,

excellent schooling and green open spaces. However, it’s the general relaxed and peaceful neighbourhood which allows for you to take evening walks without a second thought and the community where people feel invested. Within a short walk, you will find Cheam train station, David Lloyd fitness centre and a choice of tennis clubs. Again within 15 mins walk and you will be ordering a flat white in one of the various coffee shops on the high street. From Cheam train station, you can journey to London Victoria or London Bridge in around 35 mins. Surrounding towns include Banstead, Sutton, Epsom and Ewell. Road networks include the M25, A3 and A217. Gatwick and Heathrow are easily drivable in circa 40 mins and with the excellent road and rail networks the South coast is readily accessible.
