HARLOW**

The Property

The property is very handsome. A large and very characterful art-deco block with distinctive features that really set the property apart from his peers. Entered via the communal reception hall, the flat itself is spacious and layered with the character seen from the outside; bay windows and high ceilings. The accommodation includes three bedrooms, a shower room with lavatory, a separate lavatory, entrance hall, kitchen and very large lounge. Having the three bedrooms and two lavatories, the features will definitely open the property up to the family market who seek the address for excellent local schools, albeit these flats are also very popular with downsizers from the large mansion type houses locally. The décor is clean and tidy with neutral happy tones where one could live with as is quite comfortably.

Outdoor Space

The sweeping carriage driveway is accessed via Brighton Road and carries on past the frontage of the block and down the side of the property to the garages. Behind the block there are pretty communal gardens.

The Area

Located between Sutton town centre, Carshalton Beeches and Belmont Village you have the best of South Sutton on your doorstep. With Sutton town centre just down the road, the area feels safe to walk around and is perfect for kids travelling to school. Having been a family area for so long, it has lots of amenities to hand to include parks, schools, shops and restaurants.
