HARLOW**

Williams Harlow – A darling house; full of character and charm whilst offering neat and modern living throughout. The house has a modern kitchen and a modern first floor bathroom to compliment the three first floor bedrooms. With an additional two reception rooms which have been knocked through to create a through lounge the house is easy to live within. The location couldn't be better, a cul-de-sac moments from Carshalton Village and St Philomena's school.

The Property

A three bedroom end of terrace house, very good looking and lots of innate internal character. The interior is modern and decorated to the latest fashions. You enter via the porch and into the entrance hall. With the knocked through lounge to the right and the kitchen ahead. The first floor includes three bedrooms and the bathroom. The layout is reassuringly easy to use and maximises light and flow. The kitchen has integrated oven and hob with lots of cupboard space. The bathroom has pretty blue metro tiles to compliment the floor tiles and has the advantage of a ceiling light well. Practical storage is found under the stairs and loft.

Outside Space

The rear garden is extra sunny with its Southerly aspect. It's low maintenance with faux lawn and chipped stone beds for the shrubs. The patio leads directly off the house is easy to use for summer days. The frontage includes a small garden and a few steps up to the front door.

The Local Area

The road is a charming hide away which you wouldn't normally go down unless you had good reason. That said its still extremely close the local village shops and restaurants, Barrow Hedges and Seaton House schools, Banstead, Belmont and Carshalton Beeches village train station.

Why You Should View

Whether you are upsizing or downsizing, this house has something for you. The house has been modernised for your convenience and the garden is highly usable. Practical location and charming house combined.
