HARLOW**

Williams Harlow – Superb freehold house within walking distance of Cheam Village and Cheam Park. Local bus routes are great for Morden and Wimbledon. Affordably priced, neutral décor, parking and both front and rear gardens really catch the eye. Why purchase a flat when you can own a house with garden?

The Property

Easy. A two bedroom, middle terrace house. Kitchen, lounge dining room, two first floor bedrooms and family bathroom complete the accommodation. The modern build ensures a warm property with little fuss.

Outdoor Space

A low maintenance front garden welcomes you to the door. To the rear, an ultra sunny south west facing garden with gates for parking.

The Area

One of the key features. The access to Cheam Village, Worcester Park and beyond is very inviting for commuters and family life. The glorious park is only yards away and although you had a good size garden, to have the park as an alternative is superb.

Why You Should View

Why buy in Sutton or Worcester Park when you can buy in Cheam? Why buy a flat when you can buy a house? Why buy leasehold when you can buy freehold?

Vendor Thoughts

“I have always been attracted the simplicity of this house. Travelling often, this house allows me the ability to lock up and go”
