The Newburgh makes an immediate impression with a layout that's both spacious and considered.

The entrance hallway opens into a dual-aspect living room — light, airy, and generous — with an adjoining room that works equally well as a home office or family room, depending on what life demands. Through an archway from the hallway, the large dining kitchen is a real centrepiece: a vast, sociable space running the full width of the home, with French doors leading out to the private rear garden. A dedicated laundry room and guest cloakroom sit off the kitchen, along with handy under-stair storage.

Upstairs, the master bedroom is a genuine retreat — spacious, with fitted wardrobes and a private en-suite. Two further well-proportioned bedrooms and a family bathroom with both a bath and separate shower complete the first floor, giving the whole household room to unwind.

With built-in solar panels with battery storage, an electric vehicle charging point, and your choice of interior finishes (subject to build stage), this home blends energy efficiency with personal style.

The Furlongs at Holland Park is an elegantly planned new community on the edge of Spalding — a place that bridges countryside tranquillity and town convenience. Here, you'll find a selection of beautifully designed 2, 3, 4 and 5-bedroom homes, each crafted to balance open, airy living with smart, energy-efficient design. Wide windows frame garden views, thoughtfully laid out rooms give flexibility for family or work life, and features like landscaped green corridors, tree-lined streets and pedestrian paths create a sense of calm and connection.

Set within The Furlongs at Holland Park, The Newburgh offers more than just a house – it places you in a welcoming community on the edge of Spalding. Local schools, green spaces, riverside walks and transport links are all close by, giving you the perfect balance of countryside calm and town convenience.
