Description

A deceptively spacious and extended period townhouse offering versatile accommodation arranged over three floors, combining character with generous proportions ideal for modern family life.

The ground floor offers a welcoming entrance leading through to comfortable and flexible living spaces, with the extension creating additional room for everyday living and entertaining. The kitchen sits at the heart of the home, complemented by practical areas that provide flexibility for a growing family.

Across the first and second floors are four bedrooms, offering a good balance of principal and additional bedroom accommodation, together with two bathrooms. The three-storey layout provides excellent versatility, with scope for bedrooms to alternatively serve as a home office, guest room or hobby space.
