Description

The White House is positioned within a generous mature plot and currently comprises a detached four-bedroom dwelling with gardens surrounding the property, driveway parking and garaging.

The property has been vacant for some time and now requires substantial improvement and remedial works throughout. The condition of the property means buyers should expect a programme of repair and upgrading works, and as such the property is considered most likely to appeal to purchasers seeking a comprehensive refurbishment project or redevelopment opportunity, subject to any necessary planning permissions and consents.

The true appeal of the property lies within the overall plot size, village position and long-term potential on offer.

Properties of this nature within Coates are rarely available, particularly with such scope for alteration, replacement or transformation.

Material Information

Please note that the garage roof is understood to contain asbestos materials. The property also previously experienced internal flooding following a historic water pipe failure. We understand this related to an internal plumbing issue rather than environmental or external flooding. Due to the property having been vacant for some time and being in poor overall condition, buyers should expect a programme of repair, upgrading and remedial works throughout.

Location

Coates is a desirable Cotswold village positioned just outside Cirencester, often referred to as the Capital of the Cotswolds. The village offers attractive countryside surroundings whilst remaining highly convenient for access to nearby amenities, road links and rail connections.

Cirencester provides a wide range of shops, restaurants, schools and leisure facilities, whilst Kemble railway station is located nearby and offers direct mainline services towards London Paddington, making the area popular with both commuters and lifestyle purchasers alike.

The surrounding Cotswold countryside offers extensive walking, riding and outdoor pursuits, with a number of highly regarded villages and market towns within easy reach.
