Description

The Villa brings together Mediterranean character, spacious accommodation and inviting outdoor spaces in the coastal town of Göcek.

Arranged over two floors, this individually designed detached home offers approximately 300 m² of internal accommodation, with a stated gross area of approximately 350 m².

On entering the villa, the dining area sits to the right, connected to a bright and spacious kitchen. White lacquered cabinetry, an L-shaped layout and a substantial island provide space for cooking and entertaining, with a door opening directly onto the covered terrace.

A distinctive double-sided fireplace serves both the dining and sitting areas, creating a focal point between the spaces. Arched openings lead into the sitting room, where stone detailing adds texture and character. Doors open directly onto the terrace and pool area, encouraging an easy flow between indoors and outdoors.

The covered terrace provides a sheltered setting for dining or relaxing, overlooking the landscaped garden and private swimming pool. Further seating areas beside the pool offer space to enjoy the surroundings, while a generous rear garden can be reached from either side of the villa.

The ground floor also includes a bedroom with an adjoining bathroom featuring a bath, a separate guest WC and a practical utility room fitted with cupboards and a sink.

Upstairs, the spacious principal bedroom has its own balcony overlooking the pool and an en-suite bathroom with both a bath and a separate shower enclosure. Two further bedrooms, currently arranged with twin beds, complete the sleeping accommodation. One has an en-suite bathroom, with additional shared facilities accessed from the landing. Built-in cupboards provide useful storage.

The property is described as furnished and equipped, with air conditioning, kitchen appliances, security cameras and outdoor parking.

With its generous accommodation, private garden and choice of places to gather or unwind, Icarus Villa offers an appealing setting for family life and extended stays in Göcek.
