4 Monk Road Bishopston, Bristol, BS7 8LE

Located on a quiet residential road in the heart of Bishopston is this light and spacious four bedroom Victorian family home. The property has been tastefully finished and is presented to a high standard throughout. The property further benefits from being offered to the market with no onward chain.

Ground floor accommodation comprises a main vestibule entrance with original solid wood front door and stained glass top-light, leading into a central hallway with geometric tiled floor with underfloor heating and a useful storage area located underneath the staircase. The living room and lead reception is located at the front of the property and features a large bay window complete with wooden shutters, ceiling rose, cornice, picture rail and a wood-burning stove with floating oak mantle. Next door, the second reception benefits from bespoke fitted storage units in the alcoves, a stripped wood floor, cast-iron fireplace with period surround and a double glazed uPVC sash window that looks out onto the garden. The hallway continues through to an architect designed kitchen. The floor is engineered oak, which has been treated with a specialist sealant. There is boiling water and filter tap and full length integrated fridge with a separate freezer. The kitchen has been fitted with a range of sleek white handleless units with quartz work surfaces, striking tiled splash-backs and an array of integrated appliances. A Crittall picture window provides far reaching views across Bishopston towards Gloucester County Cricket Ground, whilst open oak shelving, recessed spot-lights and an engineered oak floor compliment the contemporary feel.

A staircase leads up to the first floor to three bedrooms and a family bathroom. Bedroom two is located at the front of the property and spans the full width of the house. Three triple glazed sash windows

allow for plenty of natural light and provide a green and leafy outlook onto neighbouring houses on Monk Road. In the middle of the floor, bedroom three is also a well-proportioned double and is currently used as a child's bedroom, whilst bedroom four is. Both bedrooms share the same sunny outlook over the rear garden and have been recently fitted with new upvc sash windows.

Finally, completing the floor is a smartly finished family bathroom complete with under-floor heating. Features include a modern white suite with stainless steel fittings, heated towel rail, herringbone tiled splash-backs and a tiled floor.

At the top of the house is an impressive master bedroom with incredible far-reaching views across Bristol and beyond. The bedroom has been tastefully decorated and also offers plenty of extra storage in the eaves. There is a separate shower room finished with a white suite and large walk-in shower, complimented with metro tiled splash-backs and a geometric tiled floor.

Externally, the front garden has been well maintained with a neat hedge, period tiled pathway and a useful secure bike storage unit, whilst the rear garden is a real gem and is presented in two sections consisting of a large mandarin stone paved patio and eating area, and a raised bed planted with an array of plants and shrubs. Steps lead down to a low maintenance artificial lawn bordered on both sides by larch slatted fencing. A timber framed shed at the bottom of the garden provides plenty of extra storage.

4 Monk Road is a property of the highest order possessing many practical features for modern family living and is within easy, convenient access to all of the local amenities along the Gloucester Road. The property further benefits from being within catchment to Bishop Road and St Bonaventure's Primary schools as well as the Redland Green APR.
