A very well presented garden flat with two double bedrooms a kitchen/dining space, and a separate living room.

You enter the property through a glazed panel door and walk straight into the kitchen diner, which feels light and bright thanks to Bi-folding doors and a full-length panel glazed door linking the inside and outside space together. The kitchen has tiled flooring with underfloor heating. The kitchen has a sociable layout with a central island which has room for bar stools beneath, a range of fitted wall and base units with contrasting wooden counter tops and a Belfast sink.

The adjacent living room is the perfect seating area with a fireplace and built-in alcove storage, and two windows looking out onto trees at the rear.

A spacious, central hallway connects both bedrooms and the bathroom, and is currently set up as a home office area with a double-glazed window with a leafy outlook.

The master bedroom has a bay with double-glazed windows and wooden

flooring throughout, while the second bedroom has fitted carpets and two double-glazed windows.

The bathroom is simply styled and fitted with a white suite and tiled walls, with a bath with a shower overhead, a w/c and a wash basin.

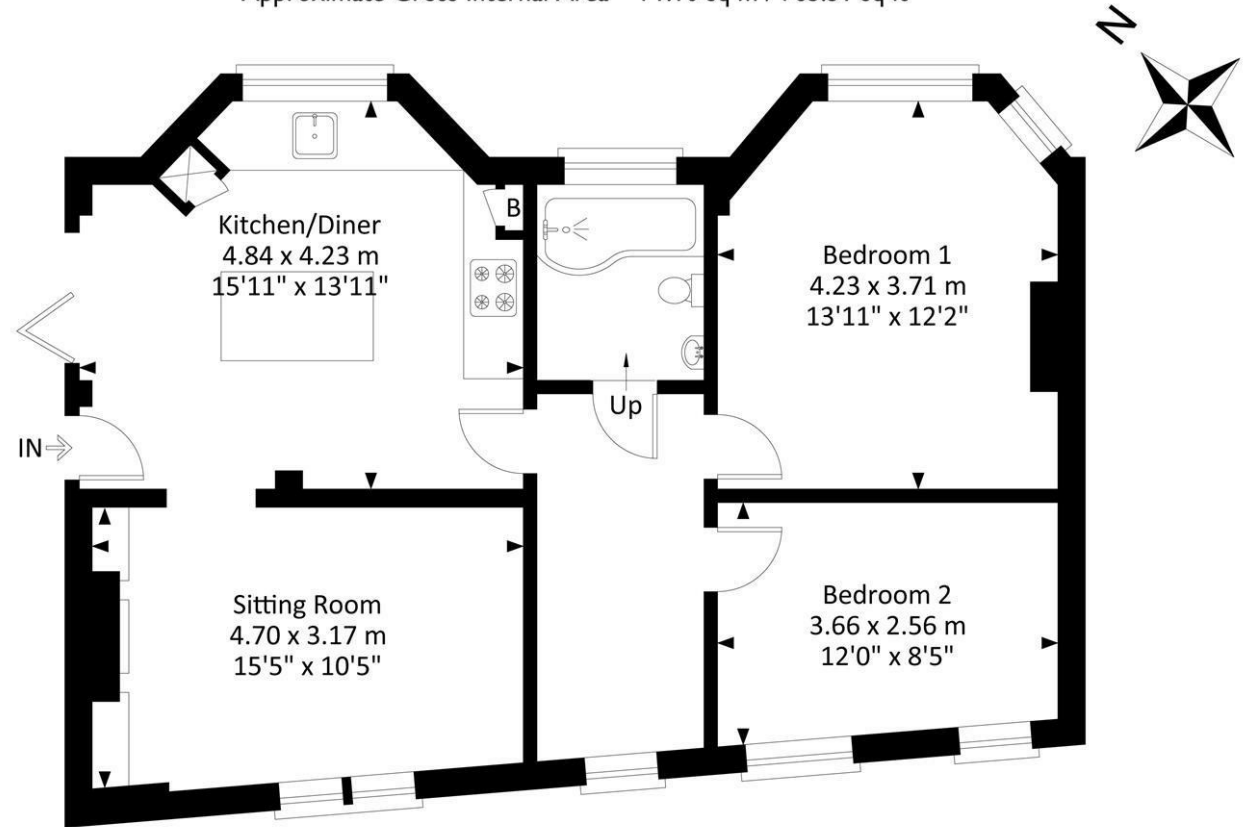

Externally, the private, landscaped garden has an artificial lawn, a built-in BBQ area, an outdoor storage cupboard and a raised seating area. This lovely flat has well-proportioned rooms and is in easy reach of all the cafes, shops and restaurants on both Gloucester and Zetland Road.
