The sitting room to the front features a bay with UPVC double-glazed windows, a wood burner and alcove shelving.

At the rear of the house is a well-designed kitchen extension, creating an open and social space that seamlessly connects to the garden and extends the entire property width. The modern kitchen comprises a range of base units, built-in appliances, and an electric hob and double ovens. There is also a central kitchen island provides additional storage, a sink and drainer and shelving. The living area of the extension feels light and bright due to the glazed bi-fold doors and skylight windows.

At the rear bedroom two has a range of fitted wardrobes and drawers with double glazed windows to rear the rear. The family bathroom next door has a modern suite comprising a 'P' shaped bath with shower over, a

vanity unit incorporating a wash hand basin, storage and a w.c.

The principal bedroom extends over the entire second floor, with doors to a walk-in wardrobe, an en-suite shower room and access to eaves storage. The contemporary shower suite features a large walk-in shower, a wall-hung vanity unit with an inset wash hand basin and W.C.

At the rear, the cleverly designed southwest-facing garden features a raised patio area which steps down to an artificial lawn. The garden is bordered on one side by a raised bed with various mature trees and shrubs, and features a child's climbing frame and wooden storage shed at the bottom of the garden.
