The property has undergone extensive renovation by the current owners and includes four bedrooms, a large open-plan kitchen/diner, living room with bay window, a separate utility room, garage, off-street parking for two cars, and recently landscaped rear garden. The property further benefits from being offered with no onward chain.

Accommodation on the ground floor comprises: a main entrance that leads into a generous hallway complete with panelled walls, a column radiator and an oak floor. Located directly off of the hallway is a smartly finished w/c with striking colour scheme, heated towel rail and a small vanity unit. At the front of the property is a living room with double glaze bay window, bespoke fitted storage within the alcoves and a cast-iron electric stove with floating oak mantle. An archway leads through into an impressive open-plan kitchen/diner that offers the perfect space for families and socialising. This room has a luxury LVT vinyl oak floor throughout and features a contemporary dining area and picture window seat with bi-folding doors leading out onto the patio and rear garden. The stylish kitchen has been thoughtfully designed with a central island/breakfast bar and includes a range of sleek shaker style wall and base units with contrasting quartz work surfaces and matt-black fittings. A full range of integrated appliances and recessed spotlights compliment the overall look. Located directly off of the kitchen is a separate utility room offering ample extra storage, another integrated oven, sink/drainage and a double glazed door providing further access to the rear garden.

A staircase leads up to the first floor to four bedrooms and a family bathroom. The principle bedroom is located at the front and benefits from its own en-suite

shower room and an open outlook across to neighbouring houses in the cul-de-sac. Next door, bedroom three shares the same outlook and is currently used as a child's bedroom.

At the rear of the floor are two further bedrooms overlooking the rear garden. Bedroom two is a well-proportioned double, whilst bedroom four is utilised as a home office/occasional bedroom. Finally completing the accommodation is a smartly finished family bathroom featuring a modern white suite, floor to ceiling tiled splash-backs, a heated towel rail and a vinyl floor.

Externally to the front is a blocked paved driveway with off-street parking for two cars, whilst a single garage with full mains power provides useful extra storage. Side access leads through to a recently landscaped south-east facing rear garden which is a real gem. The garden has been presented in three sections consisting of a paved patio/seating area with steps leading up to an artificial lawned area bordered on both sides by raised planted beds featuring an array of mature trees and shrubs. There is also a beautiful rockery and pond area. At the rear of the garden is a further seating/bbq area that sits beneath a timber pergola and offers the perfect secluded area for al-fresco dining.
