This attractive hall floor flat enjoys its own private entrance to the side of an impressive Grade II listed building, offering a wonderful combination of period charm and practicality in one of Bristol's most desirable locations.

Stepping inside, the entrance hallway provides access to both the living room and bedroom. Wooden flooring flows from the hallway into the living room at the front of the building, where a large sash window floods the space with natural light. The room is generously sized, easily accommodating distinct lounge and dining areas. Elegant period details including an ornate ceiling rose, decorative cornicing, and a central fireplace bring character. The stone of the fireplace is reflected in the decorative archway leading to the kitchen.

The kitchen itself is well designed, offering ample storage with a combination of wall and base cabinets, space for modern appliances including a dishwasher, and stylish finishes such as a wooden worktop and tiled splashback.

Across the hallway is the bedroom. Soft carpeting underfoot and neutral walls create a calm and comfortable atmosphere. A large sash window overlooks the reservoir, giving the room a wonderfully private outlook.

From the bedroom, a door leads to a versatile utility room with space for a washing machine and tumble dryer, as well as additional storage currently used for bikes. Adjacent, the recently updated bathroom feels bright and fresh, with shutters for privacy, a sash window bringing in natural light, and a built-in cupboard ideal for storing towels and toiletries.

Perfectly located, this home is just moments from the

Bristol Lido and a short stroll to the independent cafes, restaurants, and shops of Whiteladies Road. The expansive green spaces of The Downs are within easy walking distance, while excellent transport links provide quick access to the City Centre.
