This charming one-bedroom garden flat is situated within an elegant Grade II listed period building in the heart of Clifton. This beautifully presented home offers private outdoor space and is just a short stroll from Clifton Village and Whiteladies Road.

The flat is entered via a private entrance at lower ground level. The entrance hallway leads into a central corridor that connects to each of the principal rooms.

At the front of the property is a spacious sitting/dining room. This room features a panel-glazed original sash window with timber shutters, a glazed door out onto the courtyard frontage and bespoke bookcases neatly fitted in the alcoves on either side of the chimney breast and behind the doorway to the room.

Decorative cornicing reflects the building's Victorian character.

The kitchen is positioned at the rear of the flat with a window facing the garden. It features bespoke units with a range of wall and base cupboards and integrated appliances including a fridge/freezer, oven, induction hob, extractor and tap fitted with water filter and kettle function. Compact

oak laminate worktops contrast beautifully with the deep blue colour scheme and the geometric tiled floor. The white tiled splashback contributes to the clean aesthetic.

The double bedroom is located off the hallway and overlooks the rear garden. Features include a period fireplace and a pair of shuttered French doors that open onto the garden.

The bathroom features a deep blue vanity storage unit with an integral sink and w/c. The full-size bath features a rain-fall shower above and a glass splash screen. The bathroom walls are tiled to the ceiling, and a pretty geometric tiled floor completes the look.

The rear garden is a key feature of the property- a private and enclosed sun trap, with pretty seating alcoves and perfect for potted plants.

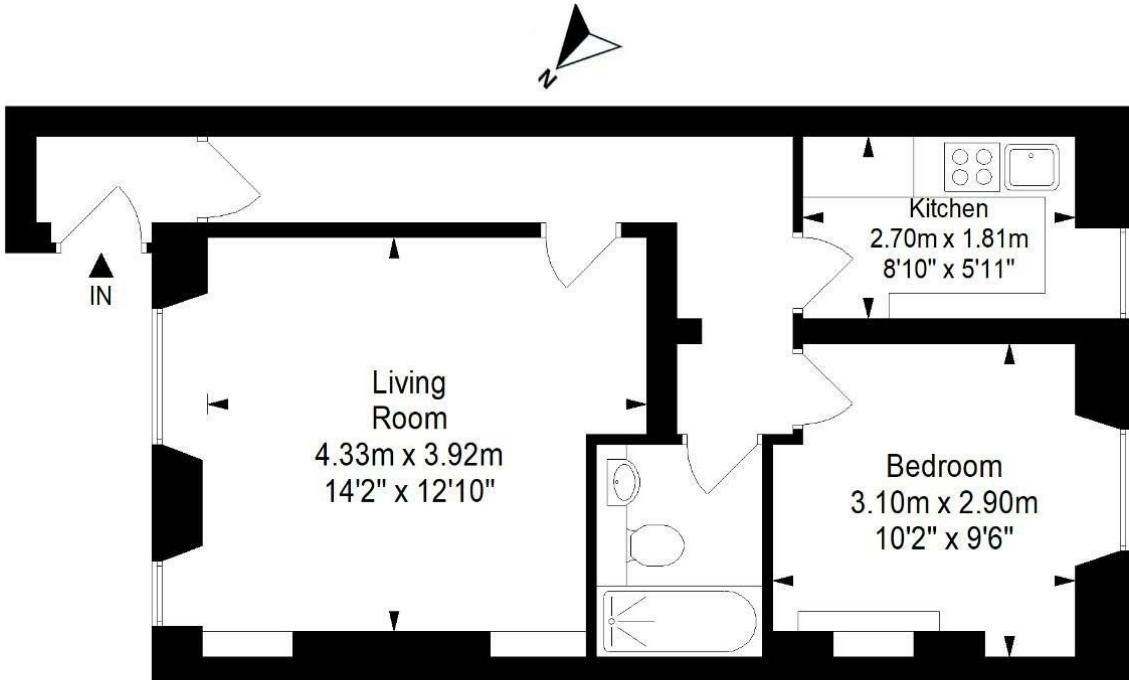

This fantastic period flat is immaculately presented and in a great location for the local amenities in Clifton Village, Whiteladies Road, Clifton Triangle and the city centre. It is close to many beautiful parks, including Victoria Square, Brandon Hill and the Downs.
