The Property

This three storey townhouse was built in 1996 and occupies a sought-after location, close to both the town centre and open countryside. The garden has been landscaped and terraced on several levels with a number of seating areas. There is wood flooring to the ground floor and the study. The property enjoys an east-west orientation, making the accommodation light and airy.

The Accommodation

The front door leads into a hall with staircase off. There are cupboards under, including plumbing for a washing machine. Adjacent is the study/music room. On the left of the front door is a family/dining room with a corner fireplace and an opening leading through to the kitchen at the rear. This has a dual-fuel range cooker plus an integrated dishwasher and fridge. On the first floor there is a shower room at the front, a sitting room with a west facing balcony, and a bedroom at the rear with a vanity basin. The study next door has double doors to the garden. On the second floor landing is a cupboard with space for two stacking appliances. There is also access to the loft, which is part boarded with light and the boiler. There are two double bedrooms on this level, one with a built-in wardrobe and the family bathroom, which has built-in cupboards and a shower over the bath.

At the front is a block-paved private parking area and steps up to the front door. At the rear the garden has been landscaped and terraced on three levels with paved and decked several seating areas, together with shrub borders.
