The Property

A detached single storey barn, converted in 2002, providing spacious family accommodation (1571 sq ft). Bespoke internal oak doors with quality ironmongery have also been fitted throughout. Wooden double glazed windows have been installed and an external oil fired boiler provides central heating.

NB: Planning permission for the addition of a fabulous kitchen/dining/family room and a double car barn was granted in 2019, but has now lapsed.

There is stabling for two/three horses and two paddocks - in all about 2.25 acres, with vehicular access from The Hill. There is extensive parking all around the property and a double garage.
