M. Coleman Estate Agents are delighted to present this charming, extended four-bedroom detached property. Constructed with dressed Bath Stone, the residence enjoys a prime location close to the Frome Valley Conservation Area.

The entrance hallway is accessed through an attractive doorway and leads to a cloakroom, an open-plan reception area comprising three distinct zones and a well-appointed kitchen. The generous reception space features a dining area at the front with bi-folding doors allowing for optional separation to create a more intimate dining environment. The lounge/living area, overlooking the rear, benefits from French doors that provide direct access to the garden.

The kitchen is equipped with a range of wall and base units and integrated appliances include an oven, gas hob, and extractor, as well as space for a dishwasher and fridge-freezer. A door opens to the utility room, offering additional storage and plumbing for a washing machine and tumble dryer. A further door provides access to a covered storage area, which in turn leads to the driveway, garden, and garage, which includes a dedicated workshop space.

The first floor comprises four bedrooms, each with fitted wardrobes. The principal bedroom features an en-suite shower room, while the fourth bedroom is currently utilized as a study. The fully tiled family bathroom has a white suite with a mains-powered shower over the bath and twin sinks.

Externally, the well-maintained garden presents a level lawn bordered by established evergreen trees and shrubs. A patio area provides an ideal setting for outdoor relaxation throughout the seasons and beyond is a practical metal storage shed.

The front is defined by a dwarf wall with a low-maintenance pressed concrete driveway offering off-road parking for three vehicles and access to the garage with electric-door. A well-maintained lawn, enhanced by mature trees and shrubs, flanks a pathway to the front door.
