Set on this ever-popular road in Bromley Heath, this much-loved family home presents a wonderful opportunity for buyers seeking a property with scope to modernise and personalise.

Enjoying a highly convenient position, the home is just a short stroll from local shops and the well-regarded Bromley Heath Primary School, making it ideal for families looking to settle within an established and community-focused neighbourhood.

The accommodation offers an excellent foundation for enhancement and possible extension (subject to consent), allowing the next owners to create a home tailored to their own tastes and requirements.

The ground floor is arranged around a welcoming entrance hall; a bright bay-fronted sitting room is positioned to the front whilst a separate dining room ideal for family gatherings is to the rear. A spacious kitchen breakfast room offers direct access to the rear garden via a rear lobby with space for a washing machine. There is also a pantry along with space for a cooker and fridge freezer.

To the first floor are three bedrooms two of which are well-proportioned doubles alongside a family bathroom, with the layout lending itself perfectly to reconfiguration or modernisation.

Externally, the property benefits from a front garden and driveway providing off-street parking, while a garage offers further storage or future potential. The generous rear garden, laid to patio and lawn, provides an excellent space for outdoor entertaining, children's play or keen gardeners.

With its enviable location, generous plot and clear potential to add value, this is a superb opportunity to create a truly special home in one of the area's most sought-after settings.
