Two inset ceiling spot lights and extractor fan.

BASEMENT

Superb Basement approached from the previously described door beneath the stairs leading to the two room basement with open tread staircase. We understand the Basement has been tanked and has been beautifully hand painted to create a superb TV room and playroom for younger family members. The first room has power and light connected with a single panel radiator on the inner wall. Side hidden hatches lead to further un-used original cellar space (not inspected) situated below the Dining Room and Kitchen, but offers further scope for conversion if required. Main Playroom leading off.

PLAYROOM

5.97m x 3.66m (19'7 x 12')

Again beautifully hand painted wall decorations. This larger room has headroom of 6ft 5 with an obscure double glazed opening window, receiving natural borrowed light from the front garden. Single panel radiator. Cupboard contains the electric and gas meters.

FIRST FLOOR LANDING

Spacious central landing approached from the previously described staircase with matching spindled balustrade. Corniced ceiling and high level picture rails. Central obscure illuminated roof light. UPVC double glazed window overlooks the front elevation with upper stained glassed leaded light, providing excellent natural light to the Landing area. Continuing staircase leads to the 2nd floor Loft Conversion. Single panel radiator. White panelled doors lead off to the 1st floor rooms.
