A much improved and extended four bed semi detached home which is nicely appointed throughout. The property benefits from gas central heating and has uPVC double glazing. In our opinion, the open plan, versatile layout will certainly appeal to a variety of potential buyers and briefly comprises of: entrance hallway, bedroom four (garage conversion), lounge which opens into the dining/family area, then through to the well equipped refitted kitchen with a range of integrated appliances and utility. On the first floor are three bedrooms and a modern refitted bathroom fitted with a white and chrome suite. Externally, the enclosed rear garden affords a good degree of privacy and is mainly laid to lawn, with well stocked borders and paved patio areas. The open plan front garden is laid to lawn, with a double driveway.
