

Offered to the market with no forward chain, this well-maintained and thoughtfully upgraded DETACHED family home provides comfortable, modern living with a range of stylish features throughout.

Upstairs, the property boasts a contemporary shower room fitted with a sleek walk-in rainfall shower, reflecting the high standard of finish seen throughout the home. There are two well-proportioned double bedrooms, each featuring built-in wardrobes, along with a single bedroom that includes a useful storage cupboard housing the gas combi boiler.

The ground floor accommodation begins with an entrance hallway leading into a warm and welcoming lounge. This space flows effortlessly into the modernised kitchen-diner, creating a practical and sociable layout ideal for everyday living and entertaining. Both the lounge and kitchen-diner are finished with wood-effect laminate flooring. The kitchen itself features stylish white gloss base units and a range of integrated appliances, including an oven, five-ring gas hob, and under-counter fridge and freezer. French patio doors open out onto the rear garden, providing plenty of natural light and easy access to outdoor space.

Externally, the property continues to impress. A long block-paved driveway offers ample off-road parking and leads to a detached single garage. The front and rear gardens are designed with low maintenance in mind. The rear garden, in particular, enjoys a private south-westerly aspect and features a courtyard-style layout with raised brick planters—perfect for gardening enthusiasts. The garage is accessible via a UPVC side door and benefits from both power and plumbing, adding flexibility for additional storage or workshop use.
