

This well-proportioned three-bedroom semi-detached home benefits from full double glazing and gas central heating, offering a solid foundation for comfortable family living. The current owner has enjoyed the property for many years, a testament to both the home and its highly regarded location. While the house would benefit from a degree of modernisation, it presents an excellent opportunity for buyers to personalise.

Ideally situated in a sought-after area of Thornaby, the property occupies a pleasant position at the top of Thornaby Road, providing convenient access to Ingleby Barwick and the A66 for commuting and local amenities.

The ground floor accommodation briefly comprises an entrance porch leading into a spacious lounge, a separate dining room that flows openly into the kitchen, and a bright garden room overlooking the rear. To the first floor, there are three well-sized bedrooms and a family bathroom fitted with a walk-in shower.

Externally, the property features a garage, a driveway providing off-street parking, and gardens to both the front and rear, making it an ideal choice for families or those seeking a project in a desirable location.
