DESCRIPTION:

Welcome to Number Twenty Three Stret Kosti Veur Wartha; a beautifully presented, fully detached double fronted family home, built by CG Fry in 2024. Lovingly maintained by its current owners, the property offers a warm and thoughtfully arranged living space, perfectly suited to the needs of modern family life.

Positioned just a short distance from Newquay's vibrant and eclectic centre, Nansledan forms part of the prestigious Duchy of Cornwall Estate. This carefully designed community combines character with everyday convenience and continues to grow into a thriving neighbourhood of around 4,000 homes. At its heart is a lively high street, home to a variety of independent shops, cafés, and local businesses, creating a strong sense of community.

With a well-regarded primary school close by and an abundance of open green spaces woven throughout, Nansledan is particularly well-suited to families. Its location—approximately two miles from central Newquay—also ensures easy access to a wide range of amenities, from boutique shopping and relaxed dining to entertainment and nightlife. The surrounding area is famed for its stunning natural beauty, with dramatic coastline and some of North Cornwall's most popular surfing beaches just moments away.

To the eastern edge of the development lies Trewolek Meadow, locally known as the SANG (Suitable Alternative Natural Greenspace). This extensive stretch of protected land offers a peaceful setting rich in wildlife, providing a safe and scenic space for walking, recreation, and outdoor enjoyment. Combining the calm of the countryside with the energy of coastal living, Nansledan presents a unique and highly desirable place to call home.

Upon entering the property, you are greeted by a generous entrance hallway that immediately conveys a sense of space. From here, stairs rise to the first floor, while internal doors lead to a convenient ground floor W/C, the main living room, and the kitchen/ diner.

The living room extends the full depth of the property, creating a bright and comfortable space. French doors at the rear provide direct access to the garden and allow natural light to flow through the space, while a centrally positioned gas fireplace adds a cosy focal point.

On the other side, the kitchen/diner is equally impressive in scale, also spanning from front to back. The room is finished with tiled flooring and fitted with a range of modern grey shaker-style units, complemented by ceramic tiled splashbacks and contrasting work surfaces. Integrated appliances include a gas hob with extractor hood, an eye-level double oven, a fridge freezer and a dishwasher. From here, a door leads through to the utility room, which offers additional storage units, a secondary sink and drainer, and space for laundry appliances. The utility also provides access to an under-stairs cupboard and the rear garden.

Upstairs, the landing is bright and airy, leading to three well-proportioned double bedrooms. The main bedroom benefits from a spacious en-suite, complete with a double shower sink unit, W/C, and a heated towel rail. Both the main bedroom and the second bedroom feature high quality fitted wardrobes. completing the first floor, the beautifully tiled family bathroom is fitted with a contemporary P-shaped bath with shower over, alongside a vanity sink, W/C, and heated towel rail.

The blinds and shutters are included dependant on the price agreed.

Externally, the property enjoys a notably generous and well-maintained garden, offering a lawned area, an extended patio ideal for relaxing in the sunshine, and a variety of established plants and shrubs. A summer house adds further appeal, while gated access leads to the garage and two allocated parking spaces.

Overall, the property presents a well-considered blend of modern finishes and traditional styling, forming part of a highly regarded and thoughtfully designed development.
