THE PROPERTY:

This is a house you will be proud to call home! The current owners have a truly unique and wonderful home within a few minutes walk of The River Gannel and Fistral Beach. It's currently utilised as a lucrative full time holiday let with 100 days booked for 2025.

Stepping through the front door into the hallway, the first impressions are exceptional. An entrance porch with an original tiled floor guides you into the hallway which has some useful storage and stairs to the first floor. At the front of the property on the left, boasting a bay window the lounge is spacious and enjoys a westerly aspect with a working open fire. On the other side with doors opening to the rear, the dining room features a solid wood floor and is beautifully decorated with enough space for a family size dining table.

At the rear, the kitchen which is 22 ft long boasts a generous range of white, wood effect units with solid wood work tops and a door to the terrace, it's flooded with morning sunshine and with the doors open, the terrace really is just an extension of this social area. Within the kitchen there's space for a dish washer, fridge freezer and washing machine with an integrated oven and gas hob. From the kitchen, there are a few steps down into the fourth ensuite double bedroom which has, in the past been a flexible space and utilised as a play room, work from home space and quiet reading room but is currently utilised as a bedroom.

The remaining three bedrooms can be found on the first floor, all are presented to the highest standard with gorgeous decor and high quality carpets. Two of the bedrooms offer built in storage and all are spacious and bright. Also on the first floor, the family bathroom has a 'P' Bath with a shower over and there's an additional separate WC next door.

This property has gas central heating throughout with upvc double glazed windows. The boiler was replaced in 2018 and is located in the kitchen.

Externally, the garden at the rear is laid mainly to lawn and enjoys plenty of sunshine. It's incredibly private and sheltered with high hedges and plenty of well established shrubs, borders and trees with a large replacement wrap-around decked area off from the dining room and kitchen, perfect for enjoying a coffee or breakfast in the morning sun and an evening BBQ. At the front there is a private, westerly facing lawned garden, the perfect spot to enjoy a glass of wine as the sun sets. There's driveway parking for three/four cars.

In summary, this property offers everything a modern family could wish for. The condition, location and size are simply superb!

Planning Permission was granted in 2021 for a loft conversion creating a large master bedroom with en-suite and a Juliette balcony at the back, it would have beautiful views out over the River Gannel.
