DESCRIPTION:

Welcome to 44 Figgy Road – a beautifully kept, two-bedroom semi-detached home, perfectly positioned in a quiet corner of one of Newquay's most popular and growing neighbourhoods. If you're a first-time buyer, small family, or simply looking for a move-in ready home with modern comforts, this could be the one. Tucked away in a peaceful spot, this stylish and energy-efficient home offers the best of both worlds: a relaxed, village-style setting with everything Newquay has to offer just a short drive away.

Set on the edge of Quintrell Downs, this friendly estate has quickly become a sought-after place to live. You've got a Spar shop and three pubs just a short walk away for daily essentials or a relaxed evening out. Not far up the road, the Nansledan development is fast becoming a buzzing new area, full of independent coffee shops, local businesses, and community vibes. Schools like Nansledan Primary and Treviglas Academy are within easy reach too, making this a great option for young families. Built in 2015, the home has been really well looked after and feels fresh and modern throughout. The layout is practical and family-friendly, with neutral décor and quality finishes.

You're welcomed into the home via the kitchen/breakfast room, a bright and practical space with plenty of room for cooking and dining. A breakfast bar offers the perfect spot for a morning coffee or a quick bite before work or school. The kitchen is well-equipped with an integrated oven and hob, and there's space for a tall fridge freezer, washing machine, and dishwasher. Just off the kitchen, you'll find a convenient downstairs cloakroom and a useful under-stairs storage cupboard.

At the rear of the property, the lounge/diner is spacious and versatile—ideal for relaxing with family, hosting friends, or enjoying a cosy film night. French doors open directly onto the garden, creating a seamless flow between indoor and outdoor living—perfect for summer days or keeping an eye on children playing outside. There's also a generous built-in storage cupboard in the lounge, cleverly utilised as a 'work from home' space.

Upstairs, you'll find two well-proportioned double bedrooms, one at the front and one at the rear. Both rooms feature fresh, neutral décor and quality carpets. The main bedroom comes with a fitted wardrobe, which is included in the sale. The second bedroom offers a built-in cupboard housing the water tank, with additional storage space.

The bathroom is modern and immaculately presented, featuring a full-sized bath with a shower over. From the landing, there's access to the loft, which is partly boarded and comes with a pull-down ladder—ideal for storing seasonal items or luggage.

This home benefits from air source heating and uPVC double glazing, helping to keep energy bills low—something that's especially appealing for first-time buyers. Outside, there's driveway parking for two cars at the front. The rear garden is fully enclosed and east-facing, meaning it catches the morning sun and stays bright throughout the day. Designed to be low maintenance, it features a low maintenance mixture of patio and decking with some attractive, well established plants along with a lovely pergola-covered seating area at the bottom of the garden—ideal for barbecues or winding down in the evening.

A small estate management fee of around £185 per year contributes to the upkeep of communal areas across the development.

In summary: 44 Figgy Road is a stylish, move-in-ready home in a fast-growing and highly desirable location. With its spacious layout, modern finish, and low-maintenance outdoor space, it's a perfect choice for first-time buyers or anyone looking to take their next step on the property ladder in Newquay.
