DESCRIPTION:

Tucked away in the heart of central Newquay, Flat 3 at St Georges Apartments offers a stylish, beautifully presented and contemporary coastal lifestyle within an exclusive development of just nine apartments. Positioned discreetly on the peaceful rear south-facing side of the building, this immaculately styled home combines privacy, convenience, and modern comfort in one of the town's most desirable locations.

Occupying an elevated position on Mount Wise overlooking the town centre, the apartment is perfectly placed to enjoy everything Newquay has to offer. From independent cafés and vibrant bars to popular restaurants and boutique shops, the town centre is just a short stroll away. Several of Newquay's stunning beaches, including the iconic Fistral Beach, can also be reached within a relaxed 15-minute walk.

Located on the ground floor, Apartment 3 is a spacious two-bedroom residence finished in a fresh, contemporary style throughout, with a real emphasis on tasteful, cohesive styling that enhances the sense of light and space. The standout feature is the impressive open-plan living area, designed for modern living and entertaining, where a breakfast bar subtly and cleverly separates the kitchen from the lounge space. This thoughtful layout encourages social living and connection while maintaining a natural flow between areas, with plenty of windows allowing plenty of light to fill the bright, airy interior.

The rare benefit of allocated off-road parking so close to the town centre further enhances its appeal.

Only two apartments within the development have the unique advantage of being accessed from the rear, both adjoining the sunny communal south-facing patio. Although shared, this peaceful outdoor space is rarely used beyond the neighbouring apartments, creating an almost private setting. Flat 3 also enjoys its own private entrance, offering added independence without the need to pass through communal hallways.

Inside, a welcoming entrance hall leads through to the heart of the home, a superb 23ft open-plan lounge, dining, and kitchen area. Cleverly designed to create distinct living spaces, the room feels bright, sociable, and inviting, with the breakfast bar further enhancing the sense of connection between cooking, dining, and relaxing areas. The modern kitchen is fitted with sleek gloss units and includes a freestanding double oven, washing machine, and under-counter fridge, all of which are included within the sale.

The accommodation further comprises two generous double bedrooms and a beautifully refitted shower room finished with stylish tiling and high-quality sanitaryware. Externally, the apartment benefits from an allocated parking space located to the rear of the building.

Whether you are searching for a first home, a smart investment opportunity, or a property with excellent holiday letting potential, Flat 3 at St Georges Apartments is a superb opportunity to enjoy contemporary coastal living in the centre of Newquay.
