"Estate Agency is evolving...evolve with us"

DESCRIPTION:

Welcome to Number Thirty Five Pendragon Crescent; a two bedroom end of terrace house located in the very popular Treloggan area of Newquay always favoured with families and buy to let investors. Pendragon Crescent forms part of a very convenient and residential area close to Morrisons and Lidl supermarkets with easy access to Newquay's amenities and attractions including its many beaches. It also offers very easy access in and out of Newquay only a couple of minutes from the A392.

The accommodation is approached via an entrance porch into a lounge with stairs to the first floor. This is a brilliant family room with a large window to the front and a useful under stairs area which could be utilised as storage or possibly a 'work from home' space.

The kitchen at the rear is bright and spacious with a generous range of white matte units with space for a washing machine, fridge freezer and an integrated oven and electric hob. From the kitchen there's a door to the rear garden and ample space for a family sized dining table.

Both double bedrooms can be found on the first floor, one at the front and one at the rear. Both are generous doubles with built in storage.

The bathroom is neat and well presented; part tiled with a bath and shower over. Also on the first floor, there's a useful airing cupboard and access to the loft.

This property has gas central heating powered by a combination boiler located in the kitchen. (The current achievable rent for this property is £950 pcm)

The garden at the rear is neat and low maintenance. There's also 2 allocated parking spaces with the possibility of building a garage subject to the necessary permission.

In summary, this is a great opportunity for a first time buyer to get their foot on the property ladder or for an investor to purchase a lucrative investment property. It's ready to move into with no onward chain!

AGENTS NOTE

We are informed that here is a right of way allowing access for the neighbouring property through the garden. We have been informed that it is rarely used.
