The apartment lends itself to personal styling, making it the perfect backdrop for your decor. This property promises comfortable living in a desirable location, perfectly suited for small families or couples alike.

This property is sure to please those seeking a balanced

Currently in occupation with a long-term tenant, you will have the option to purchase with the tenant in situ, or the property can be offered with vacant possession.

The current vendor owns the entire building and is in the process of creating two separate long-term leases (999 years) for 24b and 24a. On completion, the purchaser of 24b will acquire a 50% share of the freehold, jointly held with the owner of the ground-floor apartment (24a). The vendor has also confirmed that the new lease for 24b will specify that all future costs relating to the maintenance and upkeep of the building—including buildings insurance premiums and any associated administrative expenses—will be shared equally between both freeholders.

Please contact the agent for more information on the current letting arrangements.
