DESCRIPTION:

Welcome to Number Seventeen Stret Trystan – a beautifully presented and particularly spacious three-bedroom home oozing kerb appeal, completed in 2017 and situated in the highly sought-after Nansledan development.

Often regarded as Newquay's crown jewel, Nansledan is a vibrant and thoughtfully planned community that will ultimately comprise more than 4,000 homes. Designed with lifestyle in mind, it offers an appealing mix of coastal character and everyday convenience, including a thriving high street with independent shops, cafés and local businesses, a highly regarded primary school, generous green open spaces and excellent transport connections. Just two miles from Newquay town centre and within easy reach of Cornwall's world-renowned beaches and surf spots, this exceptional location truly caters to all ages and interests. On the eastern fringe of the development lies Trewolek Meadow, a protected SANG (Suitable Alternative Natural Greenspace), providing open farmland, abundant wildlife and a peaceful setting for walking, recreation and relaxation — a natural extension of residents' outdoor living space.

The welcoming entrance hallway, complete with stairs to the first floor, sets the tone for the accommodation beyond. To one side, a dual-aspect living room enjoys a window to the front and French doors opening onto the rear garden. On the other side, the stylish dual aspect kitchen/diner is fitted with an extensive range of sleek grey gloss units and integrated appliances including an oven, fridge freezer and dishwasher. There is ample space for a family-sized dining table, along with a practical understairs storage cupboard. Off from the kitchen, there's a useful rear hallway with access to the garden and a cloakroom.

The first floor hosts three well-proportioned bedrooms; two generous doubles and a comfortable single, together with a beautifully appointed family bathroom featuring a bath with shower over.

Decorated throughout in fresh, modern tones and complemented by quality carpets and flooring, the home also benefits from gas central heating via a combination boiler located in the kitchen, as well as wooden double-glazed windows.

Externally, the rear garden is notably larger than average, laid predominantly to lawn and complemented by a substantial patio area accessed from both the lounge and kitchen — perfect for morning coffee or summer barbecues. To the rear of the garden, there's an allocated parking space and a single garage.

At Nansledan there is an annual freehold management charge, which for 2026 is £394.63.

In summary, this superb home offers stylish, family-friendly living in immaculate condition, complete with a generous garden, garage and parking, and is available with no onward chain.
