## DESCRIPTION:

Welcome to Number Three Wellington Court, a charming one bedroom grade II listed house that forms part of an attractive courtyard development converted by Linden Homes in 2014; it enjoys a peaceful setting tucked back from the main road, while still being just a short stroll from the heart of the village.

Grampound is a well-loved village ideally situated between the city of Truro and the town of St Austell, both just a short drive away. The village itself offers an excellent range of amenities, including a post office, doctor's surgery, pub, church, playing field with a park, and a pre-school/primary school.

Truro lies approximately 8 miles to the west, while St Austell is around 6 miles to the east, with a regular bus service providing easy links to both. Grampound also provides convenient access to the beautiful Roseland Peninsula and the many stunning sandy beaches that line Cornwall's south coast.

Tucked away in a quiet corner of this select development a gate opens into a neat, low maintenance courtyard. Upon entering, you're greeted by a welcoming hallway that sets the tone for the rest of the property, with stairs rising to the first floor.

On the ground floor, the property offers a spacious double bedroom with a front-facing window and generous built-in wardrobes, providing excellent storage. Also on this level is a well-appointed shower room featuring a travertine tiled floor, along with a shower cubicle, WC and wash basin. A useful under-stairs storage cupboard adds further practicality.

Upstairs, the open-plan living space forms the heart of the home. Flooded with natural light from dual-aspect windows, the lounge, dining and kitchen areas create a bright and versatile space ideal for both relaxing and entertaining. This area is enhanced by herringbone solid oak flooring and a bespoke solid oak built-in desk/breakfast bar, adding both style and functionality.

Throughout the property, there are solid oak internal doors, wooden double-glazed windows and gas central heating.

Outside, the property benefits from a neatly presented courtyard-style garden, with a patio area, lpe decking, astro turf lawn and a garden shed. The garden also provides convenient access to the allocated parking area.

This attractive home would suit a wide range of buyers, including first-time buyers, downsizers or investors. The property has previously achieved rental income of approximately £800 pcm (2026) and would make an ideal long-term investment or holiday let. Offered with no onward chain.
