DESCRIPTION:

Tucked away on a quiet residential lane, this beautifully presented three-bedroom detached home offers a refreshing take on contemporary coastal living. Designed with both comfort and practicality in mind, it delivers a seamless blend of style, space, and everyday functionality.

Just moments from the golden sands and rolling surf of Fistral Beach, and close to the peaceful surroundings of the Gannel Estuary, the location strikes a perfect balance between energy and calm. Whether it's morning walks along the shoreline, paddleboarding on the estuary, or dining in the bustling town centre nearby, everything you need is within easy reach.

The property itself is equally appealing. A private driveway provides off-road parking for two vehicles, setting the tone for the convenience that continues throughout. Inside, a welcoming entrance hall leads to a ground-floor WC and a versatile third bedroom — ideal as guest accommodation, a home office, or additional living space.

At the rear of the home, the kitchen is both elegant and functional, fitted with timeless cream shaker-style units and a full range of integrated appliances, including fridge, freezer, oven, and dishwasher. A separate utility room sits just off the kitchen, offering plumbing for a washing machine and housing the recently installed combi boiler.

The living space unfolds into a generous open-plan lounge and dining area stretching over 22 feet — a bright, sociable room with patio doors that open onto an enclosed courtyard garden.

Upstairs, two well-proportioned double bedrooms offer comfortable retreats, one benefitting from plenty of built in storage and an ensuite bathroom. A sleek, modern shower room, recently updated, completes the first floor.

Lovingly cared for and thoughtfully maintained over its 16-year lifespan, the home is presented in a fresh, contemporary style while still offering scope for new owners to personalise and enhance to their own taste.

There's UPVC double glazing and gas central heating throughout, the boiler is just two years old.

Externally, although low maintenance in size, the rear courtyard style garden provides a pleasant and private setting for outdoor dining or unwinding at the end of the day. There's also a single garage accessed via the utility room.

Whether you're searching for a permanent residence by the sea, a holiday retreat, or a smart investment opportunity, this home provides flexibility, location, and lifestyle in equal measure.
