DESCRIPTION:

Welcome to Number Sixteen St Johns Road, an attractive, centrally located town house presented to a good standard with open views of Newquay Bay at the rear. It is prominently located just a few minutes walk to Newquay town centre and Fistral Beach. Newquay is a vibrant town with an array of shops, cafes, bars and restaurants with something to suit all tastes. Naturally, the beaches and coastline are the main attraction with something for everyone whether it be surfing at the world famous Fistral Beach or wild swimming in The River Gannel. Newquay has a good choice of surf hire centres and superb facilities and instructors for every Watersport. The nearest convenience store is located just a hundred yards away on Tower Road with Sainsburys a little further down the road.

This property offers spacious living accommodation with many original features. An entrance porch with an original tiled floor guides you into the hallway which has stairs to the first floor. On the left, you will find the lounge diner which has a box bay window to the front. This area is loosely divided into a living and a dining area with a log burner perfect for those cosy winter nights. There's ample space for the whole family to relax and plenty of room for entertaining. The hallway, lounge, and dining area showcase beautiful original floorboards, adding character and timeless charm to the home.

At the rear, you will find the kitchen which has a window overlooking the garden. There's a basic range of cupboards with space for a fridge freezer, washing machine and an integrated single electric oven with gas hob. The rear hallway provides plenty of useful storage for coats, shoes, wetsuits (and wet dogs!) with access to the rear garden. There's also a ground floor cloakroom.

All four bedrooms can be found on the first floor. There's two at the front and two at the rear enjoying far reaching views across the town to Newquay Bay and the rugged north Cornish coastline beyond; you can see as far as Trevoze Head on a clear day. Also on the first floor, the family bathroom is neat and well presented with a bath and shower over.

From the split level landing, there's access to the loft which has a velux window and potential to convert subject to the necessary planning and building regulations. This property has gas central heating powered by a combination boiler located in the kitchen. The windows are all upvc double glazed.

Externally, the garden at the rear is neat and low maintenance with a patio and a gravelled area. We understand there's potential to create parking as the neighbouring property has done, subject to the necessary permissions.

In summary, this property offers huge potential in a brilliant location just a short walk to the town centre and the beaches...perfect for family life by the sea!
